2. Building By-Law: Working on amendments to structure of by-law and inclusion of Stop Work Order.
3. Policies: The Municipality is in the process of updating certain policies and creating new policies to better guide employees to expectations as it relates to matters such as licence refunds, the use of Municipal resources to bring properties into compliance, the tendering and procurement process, working alone, errors on Penalty Notices, some of which may be presented.

EDO REPORT December 6, 2023

- Attended the Fundraising and Capital Campaign Workshop in Oak Point with CAO on Nov 22. Received more information on grants
- Received a request from Fieldstone Ventures seeking space 2 days a week to open Adult Education in St. Laurent. They will be hiring a teacher to help adult students to complete high school education and continued education. Gave the price of \$160/month for shared office space.
- Met Jeannie Gurr of Age Friendly who is also seeking office space. She will be providing 2 computers that she is receiving as part of an application. Would like for them to provide the computers to office.
- Received notification from Radio CBC seeking a workspace for a Journalist in Residence Program to allow them to reach more readers and listeners to provide more local news. The initiative is a partnership with municipal libraries and they by-passed us last year because we don't have a library. Contacted Mélanie at É.C.A.L to ask if they would provide space in their library. After more discussion, Radio Canada wants to be at the Welcome Centre because it will be in July and August when school is closed and they want to use the Welcome centre to charge their equipment, washroom, etc.
- Had to go to 3 dwellings who have Starlink to measure the Starlink Speed Test to complete Batch 2 and report. Bernice finished the data input for both batches. More research and reporting needed to complete the final batch 3 report by December 15th.
- Spoke with Angelica Kerbrat of 310 Wellness in Stonewall about branching out to St. Laurent. She would like for her and one of her massage therapists, Carla to provide massage, acupuncture, cupping, reflexology and energy work one day a week but maybe every 2nd week to start. She would direct bill and take appointments by phone or clients could book on her website themselves under the St. Laurent office. I wanted to give first choice to a massage therapist to pick the day they want and she chose to come on Wednesdays at this point. The other priority for second choice on days is for a chiropractor. After we find those two positions, others can pick the remaining days they want.
- Spoke with Tammy as to whether sharing her office with Fieldstone Ventures would be a possibility. Tammy has a shortage of space for all the equipment she has and keeps a lot of it in her office. She also keeps petty cash in there too so understandably it would not make sense to do so.
- It would probably make more sense to keep the small office space that was to be the Wellness Room as office space for Fieldstone Ventures, Age Friendly, Radio Canada, and any other organizations that may need space to work. This increases the original estimated cost of \$1,500 to convert the space due to renovations that would need to be completed for 3 spaces instead of 1.
- Talked with Paul about moving the coffee machine to the kitchen in the Welcome Centre. He said it is doable. Talked about setting up the coffee room as the Wellness Room and that would be possible to. I have attached a plan and budget for work to be done.
- Talked with Smart as to whether Public Works could do the work and he said yes they could start this week if given the ok. They would just need an electrician and mudder/painter to do those jobs.
- Genaro came to see me regarding the SHARED HEALTH funding he is wanting to apply for with an update that the closing date has been pushed to January 31st and he will come to a council meeting in January to give council an update.
- Was invited by Darci of Painted Sky at 117 Laurentia Beach S to visit her business and see if there is anything I can do to help promote it. Went to visit on December 5th and received a tour of her rent. Gave ideas and will follow up. She was pleased with the visit.

Not to Scale

Scope of Work and estimated Cost for Wellness Room/ Coffee Room/ Community Office

Merry Makers Craft and Bake Sale – December 3rd. So far, we have 27 registered vendors with 45 tables being rented. Laurentia Beach Association will be fundraising by running the Silent Auction. Silent auction funds will go towards their Sun Shelter Project. Made a request that St. Laurent Recreation Centre run the canteen.

I will be running a non-perishable food drive and a toy drive during the craft sale. Donations will be given to Loretta Sigurdsson to support the Community Christmas Hamper Program.

Book Drive – Gave away 8 bins of books!!! Books were donated to St. Laurent & District Recreation Commission from both community schools. I approached St. Laurent Recreation Centre regarding adding bookshelves in the hallway/ entrance way. Looking at adding a shelf for non-perishable food items also.

Holding a Christmas Youth Night at the St. Laurent Legion Dec 14. There will be Minute to Win It Games, Gingerbread House decorating, pool, music, karaoke & treats.

Light up our Town Community contest and kids' light bingo on Dec 16th. Prizes \$100, \$75 and \$50. All gift cards to local businesses of choice. Kids Bingo 6 \$25 gift cards to store of choice. (Kids want toys 😊)

Pickle Ball: Pickle ball is being held indoors twice a week in the St. Laurent School Gymnasium.

Winter Clothing Drive ended. A lot of non-winter clothing was donated this year. Will re-visit the issue next year.

Adult Yoga was held in the Youth Centre of the MMF. Ended. Sent request to the MMF to continue Yoga in their facility. Yoga will be self-run by a group and U Tube.

Mom & Baby Yoga – Free – Grant – 3 registered – Held in the Youth Centre of the MMF. Received funding to hold program in spring as well.

Applied for the Efficiency Manitoba Community Rink Lighting Initiative. This program will cover the installation and equipment costs for LED lighting upgrades in our arena. Application approved. Moving onto the final phase.
